
You recently enrolled in the Economic Option - Credit Card Payment Protection Plan. Before you signed up, we explained to you the essential elements of this insurance product, which are set out below.

NOTICE TO READER

This document addresses the points deemed the most important to your understanding of the insurance product. It is not, under any circumstances, a substitute for reading the certificate of insurance in full and is not comprehensive. This document does not create or confer any contractual or any other rights. Only the certificate can be used to adjudicate questions of a legal nature.

Nature of coverage

The Insurer will credit an amount to the National Bank MasterCard Credit Card account to pay all or part of the balance.

Summary of coverage

Coverage:

This insurance product offers the cardholder and his/her spouse, if the spouse is a co-holder, life insurance, insurance in case of first diagnosis of cancer (for certain cancers), and insurance in case of accidental death and accidental dismemberment. These coverages are subject to the terms and conditions of the certificate of insurance. Please read the certificate of insurance carefully for details about each coverage and the amount of the maximum benefit payable for each coverage.

Exclusions, restrictions, limitations:

Exclusions, restrictions and/or limitations apply to all the coverages.

THE INSURER MAY REFUSE TO PAY A CLAIM DUE TO EXCLUSIONS PROVIDED FOR IN THE CERTIFICATE OF INSURANCE, WHICH ARE SPECIFIED IN THE “RESTRICTIONS AND EXCLUSIONS” SECTION. SPECIFIC RESTRICTIONS APPLY TO INSURANCE IN CASE OF FIRST DIAGNOSIS OF CANCER.

Calculation of the monthly premium

The monthly premium is \$0.49 per \$100 of outstanding balance of your National Bank MasterCard Credit Card, as at the monthly statement date.

Example:

Your balance on your monthly MasterCard statement of account is \$300.

The premium payable is calculated as follows: $\$300 \div \$100 \times \$0.49 = \1.87 .

An amount of \$1.87, plus applicable taxes, will therefore be charged to your Credit Card.

See the “Premiums” section of the certificate of insurance.

Effective date and premium payment

Your insurance coverage takes effect on the first day of the month following the month in which you enrolled for the Credit Card Payment Protection Plan.

When you enroll in the Credit Card Payment Protection Plan, you will receive a 1-month free trial period. Therefore, you will not be charged a premium until your second month of coverage.

Example:

If you enroll in the Credit Card Payment Protection Plan on August 15,
you will be billed for premiums when your statement for October is produced.

Termination of insurance

This insurance terminates on the earliest of the following:

- the date on which the insured turns 71;
- the first day of the month after the date on which the Insurer receives your request to cancel;
- the date on which the Credit Card ceases to be valid;
- the date on which the Credit Card account ceases to be in good standing as determined by the agreement governing the use of the Credit Card;
- death of the cardholder.

Cancellation of product

You may cancel your insurance contract at any time by submitting a request to the Insurer at the address appearing on the cover page of your certificate of insurance or by calling the Insurer at 1-877-871-7500. See the "Termination of Insurance" section of the certificate of insurance.

Documents for submitting claims can be obtained from the Insurer by calling 1-877-871-7500. You have 90 days from the date that the Insured event takes place to submit an application for benefits to the Insurer, along with all supporting documents, as described in the "Claims" section of the certificate of insurance. While your claim is being assessed, you are required to continue making your Credit Card payments.
