INSURANCE

A helping hand to get you back on your feet

ProActive, Personal Injury Insurance, helps you maintain your quality of life and financial independence.

In the event of an accident or injury, you benefit from optimal support to help you recover with peace of mind:

- Take advantage of all the benefits of **Medical Care Assistance**, a personalized support plan that gives you access to top medical care resources
- Receive benefits of up to **\$18,750** per accident, to use as you see fit
- In the event of an accident that leads to your death, your beneficiary can obtain a benefit of up to **\$18,750**
- Your acceptance is **guaranteed**

You will be insured for life and can claim multiple times under your **ProActive** policy. You also have 30 days to review your policy for satisfaction guaranteed.

Your satisfaction is guaranteed!

If you are between the ages of 18 and 75, your acceptance is guaranteed!

The first premium payment will be withdrawn from your account 10 days after your enrolment. If, for any reason, you are not fully satisfied, simply return your policy to us within 30 days and you will receive a full refund of all the premiums paid, with **no obligation** on your part.

Two benefits are better than one!

For every accident, **ProActive** insurance helps you stay financially independent with two benefits:

▣ **Injury benefit**

▣ **Recovery benefit**, equal to 25% of your Injury benefit

Consult the following benefits table to find out how much financial support you could receive.

RECOVERY BENEFIT

For every injury, you receive an additional benefit equal to **25% of the Injury benefit.**

For example, an individual insured at level 2 receives \$10,000 when he fractures his hip.
 $\$8,000 + 25\% \text{ of } \$8,000 = \$10,000$

+25%
of the Injury benefit

*The insurance policy contains the definition of terms, full details on benefits as well as any exclusions, restrictions and limitations that may apply.

PROTECTING

Personal Injury Insurance

Made-to-measure coverage

ProActive can be customized to your budget and offers 3 levels of coverage. Based on the level chosen, you benefit from financial support up to:

- **\$187,500** in the event of paralysis
- **\$18,750** per accident in the event of fracture, dislocation or burn

The benefits are **non-taxable** and paid to you in full, even if:

- You already receive benefits from a private or government plan
- You are not hospitalized or do not miss a day of work

**Concentrate on your
recovery, we'll take care
of your financial security!**

You can use these amounts as you see fit:

- To pay for recovery care, private nursing or more specialized services such as physiotherapy or chiropractic
- To pay for housekeeping or catering services
- To make changes to your home, as needed

Every year, approximately
4 million Canadians suffer
injuries that limit their
day-to-day activities¹.

An accident can happen to anyone and can result in many unexpected expenses. How would your finances and quality of life be affected if you were no longer able to work?

Get peace of mind with ProActive, Personal Injury Insurance!
