Here are 9 important facts you need to know about the 65+ Credit Card Payment Protection Plan.

1. 65+ Credit Card Payment Protection Plan offers 2 kinds of coverage

In the event of death, **life insurance** and **accidental death insurance** will help repay your credit card balance, thereby freeing your family of one of the many obligations that come with the passing of a loved one.

 You will find specific information for each protection in section 6 of the insurance certificate.

2. 65+ Credit Card Payment Protection Plan covers the balance of your card

 See section 7 of the insurance certificate for more details on the amount we pay for each protection.

3. The 65+ Credit Card Payment Protection Plan involves exclusions

We may refuse to pay a claim because of the exclusions set out in the insurance certificate.

Please review them immediately. We’ve summed them up here for you:

WARNING – Exclusions

We will not pay any benefits in the following situations:

Life insurance

- › Suicide within 2 years of the start date of the insurance.

Concerning all protections

- › Pre-existing condition: Have you consulted a physician or been treated or hospitalized for a medical condition within the 6 months preceding the start date of your insurance? Note that the exclusion for a pre-existing condition will apply if death in relation to the condition occurs within the 6 months following the start date of your insurance;
- › Participation in a criminal act or an attempt to commit one;
- › Active participation in the flight of any device capable of lifting off and travelling in the air— including but not limited to airplanes, helicopters, hang gliders and hot-air balloons—, be it as a pilot, crew member, instructor or student;

- › Use of narcotics without a prescription or of medication beyond the prescribed dosage;

The specific and more detailed exclusions concerning each protection as well as the general exclusions are described in sections 6.1 and 8 of the insurance certificate.

4. You must meet specific criteria to be insured

To be eligible for this insurance, you must, at the time of enrolment:

- › be the primary cardholder of a credit card;
- › be aged 65 or over;
- › be living in Canada.

Furthermore, your card must be valid and your account must be in good standing. Your account is in good standing when you comply with the conditions of your credit card agreement.

That's all! We won't ask you for any additional preliminary information.

5. The cost of your insurance premium varies based on the amount owed on your credit card

The premium is the amount you pay in order to be insured.

The premium is calculated on a monthly basis based on the outstanding balance on your credit card account on the day the statement is printed. It is therefore likely to vary over time.

For the 65+ Plan, the rate is \$0.69 per \$100.

The insurance taxes of your Canadian province of residence will also apply.

Consult the insurance certificate for premium rates and nbc.ca/card-protection for tax rates.

EXAMPLE PREMIUM CALCULATION

If you reside in Quebec and your balance is \$4,800, your monthly premium will be calculated as such:

$$(\$4,800 / \$100) \times \$0.69 \times 1.09 \text{ (9\% Quebec sales tax on insurance)} = \$36.10$$

6. Duration of insurance

Start

The insurance starts the first day of the month following the enrolment.

End

The insurance ends on the first of the following occasions:

- › Maximum age reached, i.e., the last day of the month in which you reach the age of 80 for life insurance. After this date, you will continue to be covered in the event of accidental death.
- › Cancellation, i.e., the first day of the month following the date on which you cancel your insurance by notifying us via telephone or written notice or when the insurance provider terminates the contract.
- › The account is no longer in good standing, i.e., the date on which your account no longer complies with the conditions of your credit card agreement.
- › The account is closed, i.e., the date on which you or the Bank cancel or close your account.
- › The card is no longer valid, i.e., the date on which the primary cardholder no longer holds a valid card with the Bank.
- › Death, i.e., the date on which you die.

7. We can refuse a claim and cancel your insurance if you make a false declaration.

Information that you provide when we deem necessary must always be accurate.

If, during a claim or at any other time during the insurance period, we receive information that differs from the information you initially provided, we could refuse your claim and retroactively cancel your insurance from its start date.
