Here are 9 important facts you need to know about the Regular Credit Card Payment Protection Plan.

1. Regular Credit Card Payment Protection Plan offers 6 kinds of coverage

In the event of death, **life insurance** and **accidental death insurance** will help repay your credit card balance, thereby freeing your family of one of the many obligations that come with the passing of a loved one.

First diagnosis of cancer insurance also helps repay your credit card balance if you receive a cancer diagnosis while the policy is in effect.

Moreover, **accidental dismemberment insurance** sees to the repayment of your credit card balance if you lose a limb or permanently and irreversibly lose the use of a limb following an accident.

If you become unable to work or complete typical tasks for someone of your age due to an injury or illness, or if you involuntarily lose your job, **disability insurance** and **involuntary job loss insurance** can soften the blow of lost income by helping you make your monthly payments. The involuntary unemployment or disability must last at least 30 consecutive days before benefits can be paid out.

 You will find specific information for each protection in section 6 of the insurance certificate.

3. The Regular Credit Card Payment Protection Plan involves exclusions

We may refuse to pay a claim because of the exclusions set out in the insurance certificate.

Please review them immediately. We've summed them up here for you:

WARNING – Exclusions

We will not pay any benefits in the following situations:

Life insurance

- › Suicide within 2 years of the insurance start date.

First diagnosis of cancer insurance

- › Some types of non-life-threatening cancer;

Disability insurance

- › Alcoholism or addiction;
- › Pregnancy;
- › Back pain (if its existence is determined solely on pain you feel without an established cause);
- › Cosmetic care.

Regarding involuntary job loss insurance

- › The loss of employment occurred within the 30 days following your application for insurance;
- › When applying for insurance, you already knew that you would lose your employment;

The specific and more detailed exclusions concerning each protection as well as the general exclusions are described in sections 6.1, 6.2.1, 6.5.2, 6.6.1 and 8 of the insurance certificate.

4. You must meet specific criteria to be insured

To be eligible for this insurance, you must, at the time of enrolment:

- › be the primary cardholder of a credit card;
- › be 18 to 64 years old, inclusively;
- › be living in Canada.

Furthermore, your card must be valid and your account must be in good standing. Your account is in good standing when you comply with the conditions of your credit card agreement.

That's all! We won't ask you for any additional preliminary information.

5. The cost of your insurance premium varies based on the amount owed on your credit card

The premium is the amount you pay in order to be insured.

The premium is calculated on a monthly basis based on the outstanding balance on your credit card account on the day the statement is printed. It is therefore likely to vary over time.

For the Regular Plan, the rate is \$0.99 per \$100.

When you reach 71 years old, the premium rate is reduced to \$0.69 per \$100.

The insurance taxes of your Canadian province of residence will also apply.

EXAMPLE PREMIUM CALCULATION (BEFORE AGE 71)

If you reside in Quebec, your balance is \$4,800 and you are under 71 years of age, your monthly premium will be calculated as such:

$$(\$4,800 / \$100) \times \$0.99 \times 1.09 \text{ (9\% Quebec sales tax on insurance)} = \$51.80$$

Consult the insurance certificate for premium rates and nbc.ca/card-protection for tax rates.

6. Duration of insurance

Start

The insurance starts the first day of the month following the enrolment.

End

The insurance ends on the first of the following occasions:

- › Maximum age reached, i.e., the last day of the month in which you reach the age of:
 - 65 for involuntary job loss insurance;
 - 71 for first diagnosis of cancer, accidental dismemberment and disability insurance;
 - 80 for life insurance. After this date, you will continue to be covered in the event of accidental death.
- › Cancellation, i.e., the first day of the month following the date on which you cancel your insurance by notifying us via telephone or written notice or when the insurance provider terminates the contract.
- › The account is no longer in good standing, i.e., the date on which your account no longer complies with the conditions of your credit card agreement.
- › The account is closed, i.e., the date on which you or the Bank cancel or close your account.
- › The card is no longer valid, i.e., the date on which the primary cardholder no longer holds a valid card with the Bank.
- › Death, i.e., the date on which you die.

Feature of first diagnosis of cancer insurance

First diagnosis of cancer insurance ends when we pay an amount following the diagnosis of a first diagnosis of cancer.

See section 4 of the insurance certificate for more information.

7. We can refuse a claim and cancel your insurance if you make a false declaration

Information that you provide when we deem necessary must always be accurate.

If, during a claim or at any other time during the insurance period, we receive information that differs from the information you initially provided, we could refuse your claim and retroactively cancel your insurance from its start date.
