Demand notes

The purpose of this fact sheet is to inform you of your rights.
It does not relieve the insurer or the distributor of their obligations to you.

LET'S TALK INSURANCE!

Name of distributor: National Bank of Canada

Name of insurer: National Bank Life Insurance Company

Name of insurance product: Consumer Loan Insurance

IT'S YOUR CHOICE

You are never required to purchase insurance:

- that is offered by your distributor;
- from a person who is assigned to you; or
- to obtain a better interest rate or any other benefit.

Even if you are required to be insured, **you do not have to** purchase the insurance that is being offered. **You can choose** your insurance product and your insurer.

HOW TO CHOOSE

To choose the insurance product that's right for you, we recommend that you read the summary that describes the insurance product and that must be provided to you.

DISTRIBUTOR REMUNERATION

A portion of the amount you pay for the insurance will be paid to the distributor as remuneration.
The distributor **must** tell you when the remuneration exceeds 30% of that amount.

RIGHT TO CANCEL

The Act allows you to rescind an insurance contract, **at no cost**, within 10 days after the purchase of your insurance. However, the insurer may grant you a longer period of time. After that time, fees may apply if you cancel the insurance. **Ask** your distributor about the period of time granted to cancel it **at no cost**.

If the cost of the insurance is added to the financing amount and you cancel the insurance, your monthly financing payments might not change. Instead, the refund could be used **to shorten the financing period**. **Ask your distributor for details**.

Life Insurance DEMAND NOTE

This certificate attests that all persons who meet the eligibility conditions are insured in accordance with the terms, conditions and provisions of the applicable group insurance Policy, subject to:

- the accuracy of the information provided on the application form;
- the payment of premiums;
- the Insurer's approval of the evidence of insurability, when required.

Any concealment or false declaration on the part of the Insured could result in the cancellation of the insurance.

The Insurer reserves the right to amend the premium pricing schedule at any time. If applicable, the new schedule will apply to all Insureds of this group insurance Policy.

Enrolment in the insurance is optional and the insurance can be cancelled at any time. If the Insured requests to cancel the insurance within 30 days of the date on which the Application was signed, the Insurer will reimburse any premiums paid, if applicable, and the insurance will have never come into effect.

The Insurer may request, if necessary, that a physical examination, electrocardiogram, X-rays, blood tests, urine tests or any other tests, including the test to detect HIV (AIDS) and certain drugs or medication be conducted to assess the risk related to this application. However, if the Application is refused, the Insurer may, on receipt of a written request from the client within 90 days of the notice of refusal, maintain the insurance under the terms and conditions of the new Application (further to an analysis of the file and subject to the veracity of the information provided). The insurance amount maintained will be equivalent to the insured balance of the former Loan.
