PRE-AUTHORIZED DEBIT APPLICATION – PAYOR PAD AGREEMENT

Personal Business

Withdrawal authorization (frequency and amount of debits): I, the undersigned, authorize the Insurer, its successors, potential transferees or assigns, to carry out, effective immediately, personal pre-authorized debits (PADs) on my account held at the financial institution designated below, at the same time as loan payments, as determined by the undersigned.

Each withdrawal corresponds to a fixed amount which can be modified, in particular should the withdrawal of the initial premium not be accepted, provided the Insurer sends me a written notice at least 10 days before the deadline of the modified withdrawal or to a variable amount depending on the insurance product.

Waiver: I waive any other confirmation before the first payment and I waive my right to receive notification should the amount of the withdrawal change.

Change or cancellation: I agree to notify the Insurer, at least five days before the next scheduled withdrawal, of any changes to the bank account information or to the date of payment. I also authorize the Insurer to make withdrawals on another account, following my verbal or written instructions. In the case of a joint account, the expression "I" used in this agreement refers to all signatories.

This authorization remains in effect until the Insurer receives notification of any changes or cancellation by me. **I may revoke** my authorization at any time, subject to providing 30 days' notice. I may obtain a sample cancellation form, or further information on my right to cancel a PAD Agreement, at my financial institution or by visiting the Canadian Payments Association website at www.cdnpay.ca. **I release** the Institution from any liability if the revocation is not respected, except in the case of gross negligence on its part.

Reimbursement: I have certain recourse rights if a debit does not comply with this agreement. For example, I have the right to receive reimbursement for any debit that is not authorized or is not consistent with this Personal PAD Agreement. For more information on my recourse rights, I may contact my financial institution or visit www.cdnpay.ca.

Consent to the disclosure of information: I agree and understand that the information contained in my pre-authorized debit application will be disclosed to the financial institution, to the extent that such disclosure is directly related to and necessary for the proper application of regulations related to pre-authorized debits.

This certificate attests that all persons who meet the eligibility conditions are insured in accordance with the terms, conditions and provisions of the applicable group insurance Policy, subject to:

- the accuracy of the information provided on the application form;
- the payment of premiums;
- the Insurer's approval of the evidence of insurability, when required.

Any concealment or false declaration on the part of the Insured could result in the cancellation of the insurance.

The Insurer reserves the right to amend the premium pricing schedule at any time. If applicable, the new schedule will apply to all Insureds of this group insurance Policy.

Enrolment in the insurance is optional and the insurance can be cancelled at any time. If the Insured requests to cancel the insurance within 30 days of the date on which the Application was signed, the Insurer will reimburse any premiums paid, if applicable, and the insurance will have never come into effect.

SECTION 1. DEFINITIONS

Accident: Bodily injury, certified by a physician, resulting solely and directly from sudden, external, violent and involuntary causes.

Bank: National Bank of Canada.

Disability: A state of incapacity which prevents the Insured from carrying out the normal duties of his occupation. The Disability must be certified by a physician, result from a Sickness or an Accident suffered while the person was insured and require continuing medical care. During the Disability, the Insured must not engage in any activity for which he receives monetary compensation. For any Insured who is unemployed at the start of his Disability, the state of incapacity is defined as one which prevents him from carrying out activities considered normal for a person of the same age.

Hospitalization: Any period of confinement of at least 48 consecutive hours, following admission to an institution recognized as a hospital in Canada or the United States.

Insurance Application: The Insurance Application form of the Insurer duly completed and signed by the applicant.

Insured: Anyone who has signed an Insurance Application, has applied for insurance, is eligible and has received an insurance certificate.

Insured Amount: The amount chosen by the Insured on applying for coverage as indicated in the Insurance Application, or the Loan balance at the time of the Insured Event if it is lesser while still not exceeding the maximum insurable amount based on the insurance coverage requested in the Insurance Application.

Insured Event: Death or Disability in accordance with the applicable group insurance Policy.

Insured Payment: The amount payable, including principal, interest and any applicable loan insurance premium. The Insured Payment under no circumstances includes principal, interest or premiums past due at any given date.

Insurer: National Bank Life Insurance Company.

Loan: Personal Loan with Mortgage Security.

Policy: The group insurance Policy applied for in the attached Insurance Application, depending on the type of Loan insured.

Refinancing: Any change made to the Loan that results in a higher Loan balance.

Relapse: In the 90 days following the end of a Disability period covered by this Certificate of Insurance, any Disability which is due to the same cause and which persists at least 7 consecutive days is considered to be a continuation of the same Disability. Otherwise, any subsequent Disability is considered to be a new injury or illness and is subject to a Waiting Period.

Resident: Anyone who resides and is domiciled in Canada or the United States and who has lived there for 183 consecutive days during the 12 months prior to signing the Insurance Application.

Sickness: A deterioration in health requiring regular, continuing and curative medical care effectively provided by a physician or other professional belonging to a professional health care corporation. Such care must be considered satisfactory by the Insurer.

Waiting Period: The period following an Insured Event during which no benefit is payable.

SECTION 2. ELIGIBILITY

The applicant must satisfy the conditions listed in the "Eligibility" section of the Application and satisfy the Insurer's requirement with respect to his health. The Insurer may request, if necessary, that a physical examination, electrocardiogram, X-rays, blood tests, urine tests or any other tests, including the test to detect HIV (AIDS) and certain drugs or medication be conducted to assess the risk related to this application. Any fees incurred for a medical examination not required by the Insurer are payable by the Insured.

SECTION 3. EFFECTIVE DATE OF INSURANCE

The insurance will take effect on the later of the following dates: the date on which the Insurance Application is signed, or the date of the disbursement of the Loan.

When evidence of insurability must be submitted to the Insurer and before all the tests or medical forms required by the Insurer are received, benefits are payable only if death or Disability results from an Accident and occurs within 120 days of the date on which premium payments start. This time period is 90 days if any evidence of insurability was never submitted. However, if the death occurs during the application study period and the applicant's application would have been accepted, the benefit will be paid. If the evidence of insurability submitted by an applicant is deemed unsatisfactory by the Insurer, no insurance will be granted to him. If the Insurer refuses to grant insurance coverage, any premiums paid by the applicant shall be reimbursed.

SECTION 4. MISSTATEMENT OF AGE

Age is determined according to the age of the Insured on his last birthday. If the age of an Insured is incorrectly stated, the benefit payable will be adjusted to the amount that would have been paid for the Insured's actual age according to the premiums effectively paid, without exceeding the benefits payable. If the age of the Insured exceeds the maximum age covered by the insurance, no benefit will be payable under said insurance. In such cases, the amount of premiums paid in excess, if applicable, shall be reimbursed.

SECTION 5. REFINANCING OF A LOAN

For the Refinancing of a Loan by the Bank, a new Application must be completed and submitted to the Insurer. The terms and conditions of the new insurance application, including all restrictions and exclusions, apply, i.e., premium rates, client's age and amount of the loan as at the date the new application is signed. However, if the Application is refused, the Insurer may, on receipt of a written request from the client within 90 days of the notice of refusal, maintain the insurance under the terms and conditions of the new Application (further to an analysis of the file and subject to the veracity of the information provided). The insurance amount maintained will be equivalent to the insured balance of the former Loan. For the Refinancing while the Insured is on Disability, the Insurer will pay the Disability benefits provided for before the Refinancing without however exceeding the amount of the new payment further to the Refinancing or the expiry/amortization period when the Disability began.

SECTION 6. LIFE INSURANCE BENEFITS

In case of death, the Insurer will pay the Bank the death benefit according to the following rules:

Personal Loan with Mortgage Security: Balance of Loan calculated at time of death, plus all accrued interest since the date of death. The balance does not include any past due principal, interest or premiums as at the date of death. If, on the Insurance Application date, the insured initial balance was less than the Loan amount, the life insurance benefit shall be calculated according to the same ratio.

SECTION 7. TABLE OF MONTHLY PREMIUM RATES - PERSONAL LOAN WITH MORTGAGE SECURITY

The Insurer reserves the right to amend the premium pricing schedule at any time. If applicable, the new schedule will apply to all Insureds under the Policy.

SECTION 8. DISABILITY BENEFITS

In case of Disability that persists after the applicable Waiting Period, the Insurer will pay the Bank the Disability Benefit corresponding to the Payment according to the following rules.

The benefit will be prorated for each day of Disability that is not a full period covered by one Payment.

The Insured must continue to make his Payments at all times during Disability, while the Insurer is evaluating or re-evaluating the application for benefits.

Maximum benefit period: Subject to the rules related to Relapse contained in the “Definitions” section of this certificate, a maximum of twenty-four (24) months of consecutive Insured Payments is payable for a same Disability even if the Insured’s Disability persists beyond this period.

In addition, the Insured(s) may only benefit collectively from a maximum of forty-eight (48) months of Insured Payments for all the Disabilities occurring throughout the entire duration of the Loan.

The Insured must return to work between each separate Disability period or, if the Insured is unemployed, return to normal activity for a person of his age.

Waiting Period: 60 consecutive days.

Loan renewal

If the Insured is disabled when the Loan is to be renewed, the Disability insurance benefits are adjusted to cover the new Payment calculated on the renewal date, keeping the original Loan expiry date, and must not exceed 120% of the Payment payable when the Disability began.

The expiry period of the Disability insurance benefits cannot, under any circumstances, exceed the period initially provided for.

Termination of benefits

Insurance benefits will terminate on the first of the following events:

Life: \$1,000,000 Disability: \$5,000 per month

If the premiums have been paid for benefits exceeding the maximum amount of benefits payable, the difference in premiums shall be reimbursed.

SECTION 10. TWO OR MORE INSURED

Two or more Insureds can be covered under the same Loan. For life insurance, the benefit is payable for the first Event only. For Disability Insurance, the benefit payable may not, under any circumstances, exceed the amount of the Payment of the Loan and the maximum benefit period for all Insureds.

SECTION 11. CLAIMS

All claims for benefits for an Insured Event that persists after the Waiting Period, if applicable, has expired must be brought to the attention of the Insurer. The documents needed to evaluate the application for benefits shall then be sent to the Insured. These documents, accompanied by proof of claim and all other relevant information, must be submitted to the Insurer no later than 1 year from the date of the Insured Event. If the Insurer does not receive the documents and all relevant information within 1 year, the Insured shall lose the right to any disability benefits.
